

Hamn Panorama

Building phase 2/house 2, section 3 and 4

Hamn
I SENJA

ORDER FORM (fixed price)

Purchase offer on apartment in Hamn i Senja - section of project Hamn Panorama.
The undersigned hereby submits the following purchase offer for holiday apartments:

Project number: HP 2-1, section 3 Price NOK : 3.390.000

Project number: HP 2-2, section 4 Price NOK : 3.490.000

In addition to the purchase price, I/we pay costs, such as public fees to the state - document fee 2.5% of lot value (possibly of purchase price if the apartment is completed when signing the offer); registration of deed and mortgage bonds and any other costs imposed by the authorities in connection with purchase.

The undersigned understands that the purchase offer is binding for the undersigned as soon as it has come to the seller's knowledge. When the purchase offer is accepted by the seller, it is valid as a preliminary contract, binding for both parties.

On www.hamn.no you will find further information regarding the property, as well as a contract template for the purchase of the apartment, which also contains articles of association for the condominium, as well as agreements related to administration, operation, maintenance, rental etc.
